

Name: _____

Date: _____

Round Robin: Text to Images, Sound, and Music

DIRECTIONS: As you travel around the room with your collaborative group, fill in the missing information in the charts below. Be sure to write the text in the box marked text. You will only have a certain amount of time at each station, so make sure you stay on task. When you are finished, you will have put the items in sequential order (What happened first, second, last, etc.). Does it tell a story? Does it make sense?
